A boutique, family owned enterprise has one of the most spectacular  
vineyard sites in Australia. On high ground at the southern edge of the Great  
Divide, the cathedral-ceilinged cellar door and large outside deck command  
impressive views down the Yarra Valley and far into the distance. Birdsong  
fills the air, and the highway seems far away.

As our wine flight expands we will focus on styles from Northern Italy as well as the Eastern French varieties.

 Helen's Hill Estate is 100% family-owned vineyard and winery. We are the 5th generation of our families to farm – a fact of which we are immensely proud. Each of us explored off-farm careers before bringing our hard earned knowledge back to our agricultural roots. We all know that Helen's Hill Estate would never have got off the drawing board if it wasn't for Lewis and Roma. Their intimate knowledge of the land accumulated through years of broad acre farming in the Mallee and years of hard work building the vineyard has been the corner stone to our success. Our corporate logo depicts the evolution of our enterprise. The wheat sheaf is where we all started, on the land. Some travelled the path of medicine; the serpent and the cross; some entered the world of trading financial markets; the bull and the bear; but we all ended up back on the land; bunch of grapes.
